PUMPD:

Let's Choose Rich Together

Introduction

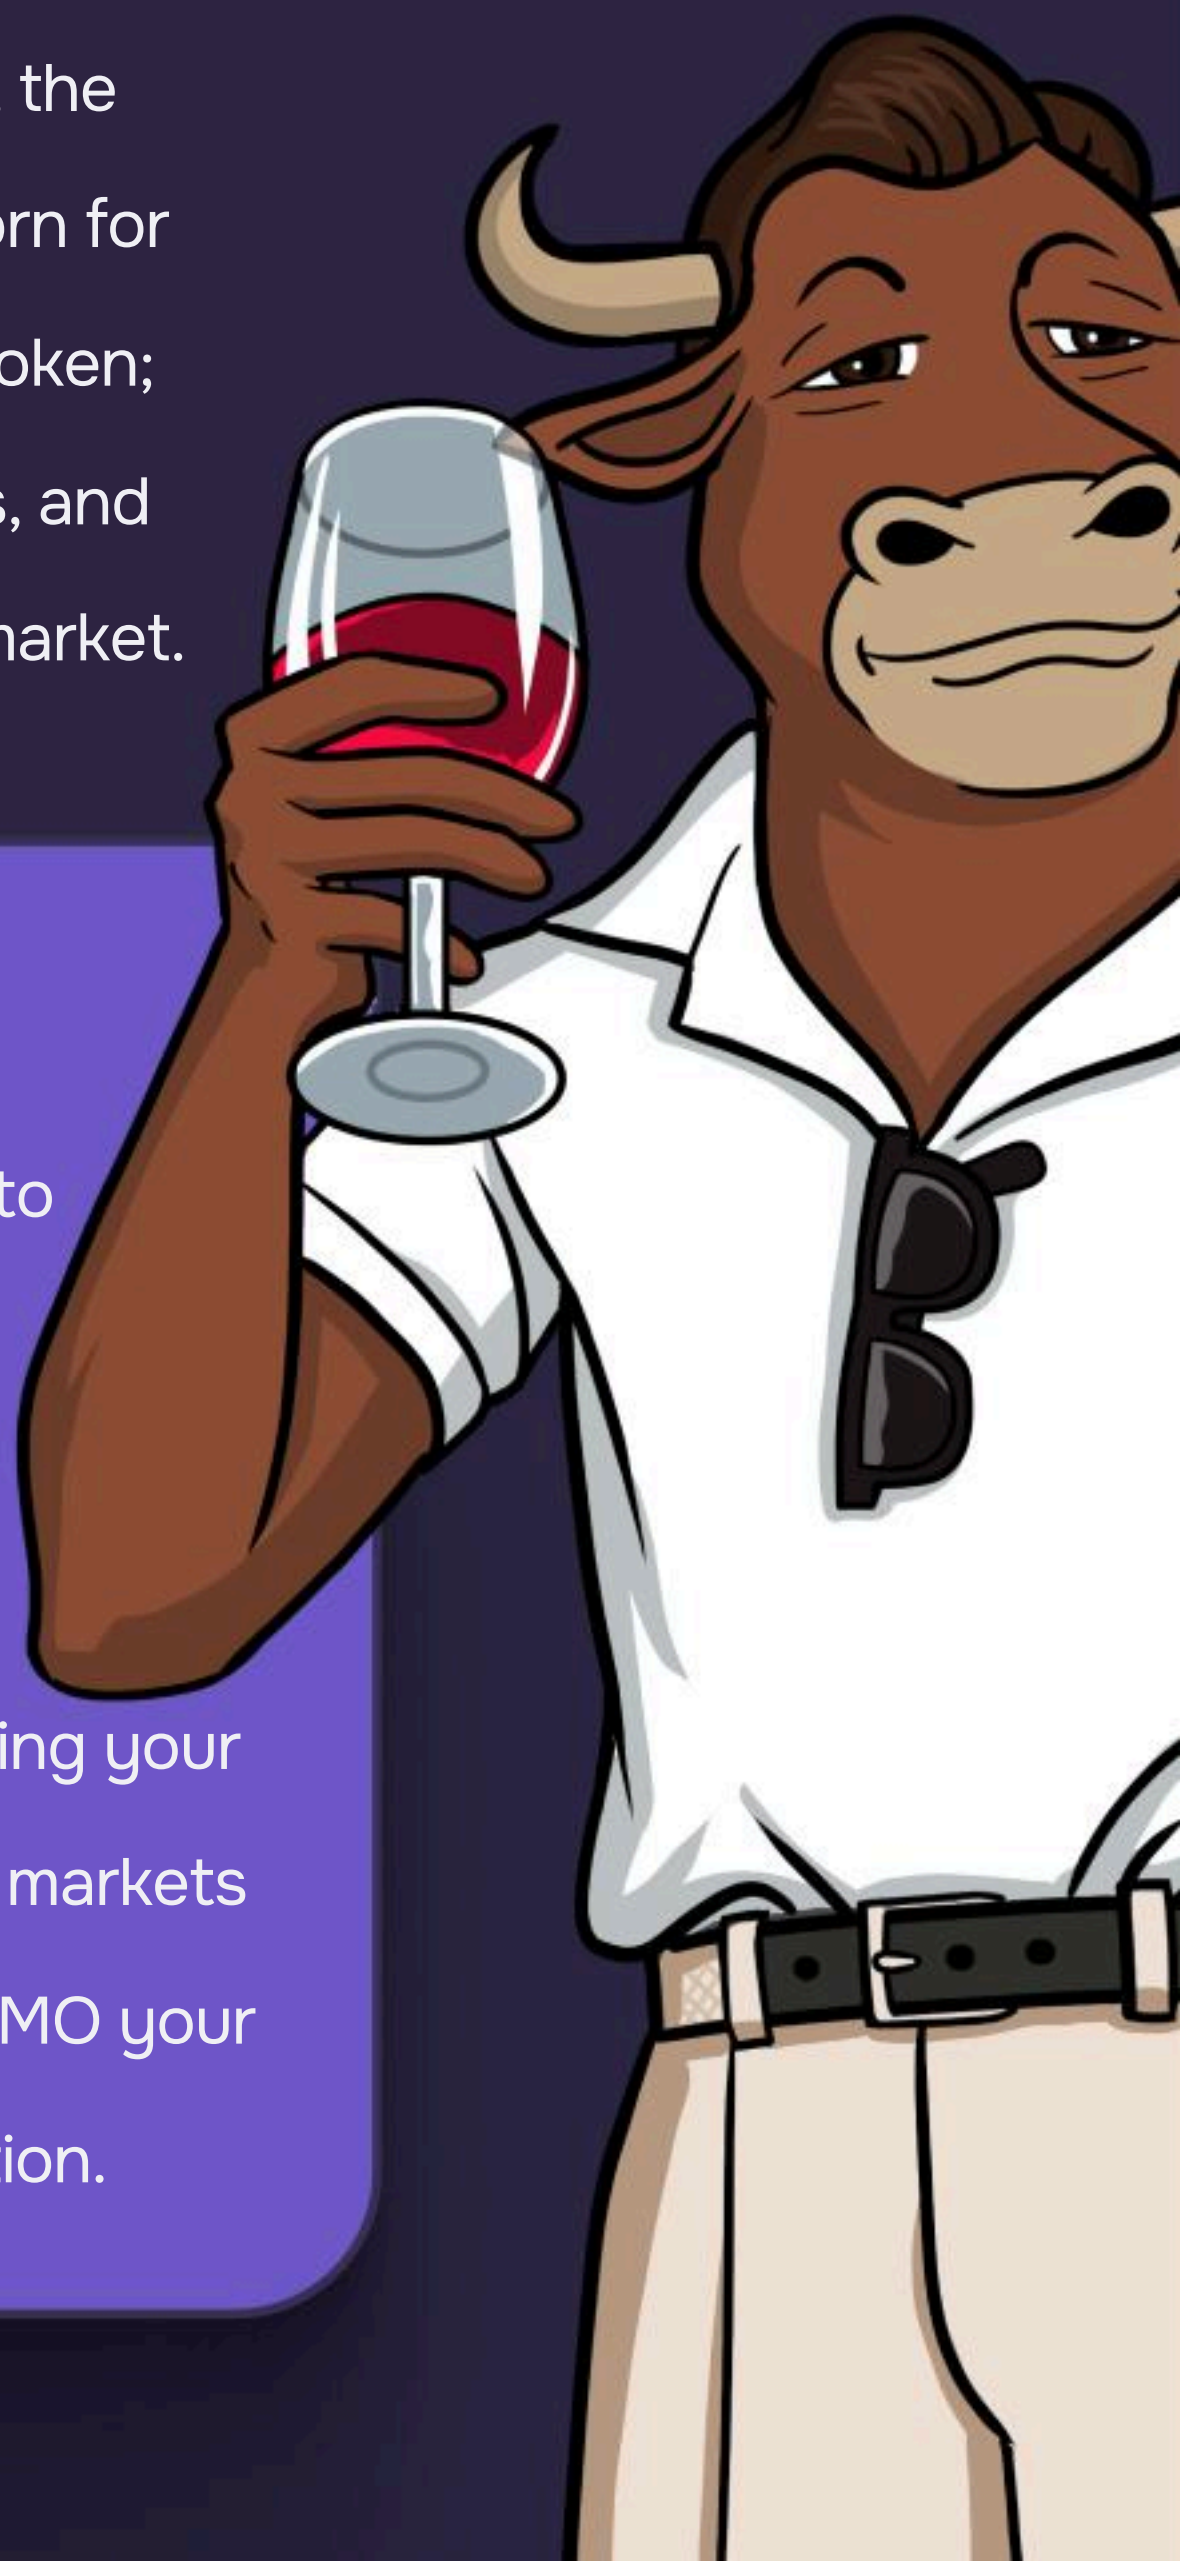

“Let me tell you something. There’s no nobility in poverty. I’ve been a rich man, and I’ve been a poor man. And I choose rich every time!”

Enter \$PUMPD – the meme coin with swagger, the token that’s rewriting the rules of the game. Born for degens and built to pump, PUMPD isn’t just a token; it’s a movement. Every 24 hours, the price rises, and every day is another chance to dominate the market.

What Is PUMPD?

PUMPD is a meme coin powerhouse designed to reward the bold, empower the community, and deliver high-risk, high-reward opportunities.

Whether you’re a seasoned trader or just starting your journey, PUMPD turns the tables on traditional markets with a daily price surge mechanism, making FOMO your best friend and financial freedom your destination.

Why PUMPD?

1

Guaranteed Daily Price Pumps:

PUMPD's smart contract ensures the price increases every 24 hours during the presale. It's not just hype; it's the DNA of \$PUMPD.

2

Community-Driven Success:

Every meme, every share, and every trade builds the \$PUMPD ecosystem. Together, we rise.

3

Exclusive Degen Tools:

PUMPD AI Degen Platform: Gain insider-level insights into trends, markets, and opportunities. Let the algorithm work for you.

4

High Rewards:

Daily price surges, raffles, referral rewards, staking options, and secret Pumpd Days make \$PUMPD the ultimate token for degens.

- Global community meet-ups and integration into mainstream culture.
- Pumpd Launchpad for new meme coins that will also offer 24h Pumps.

ROADMAP

Weekly Raffle:

Win USDT Just for Buying \$PUMPD

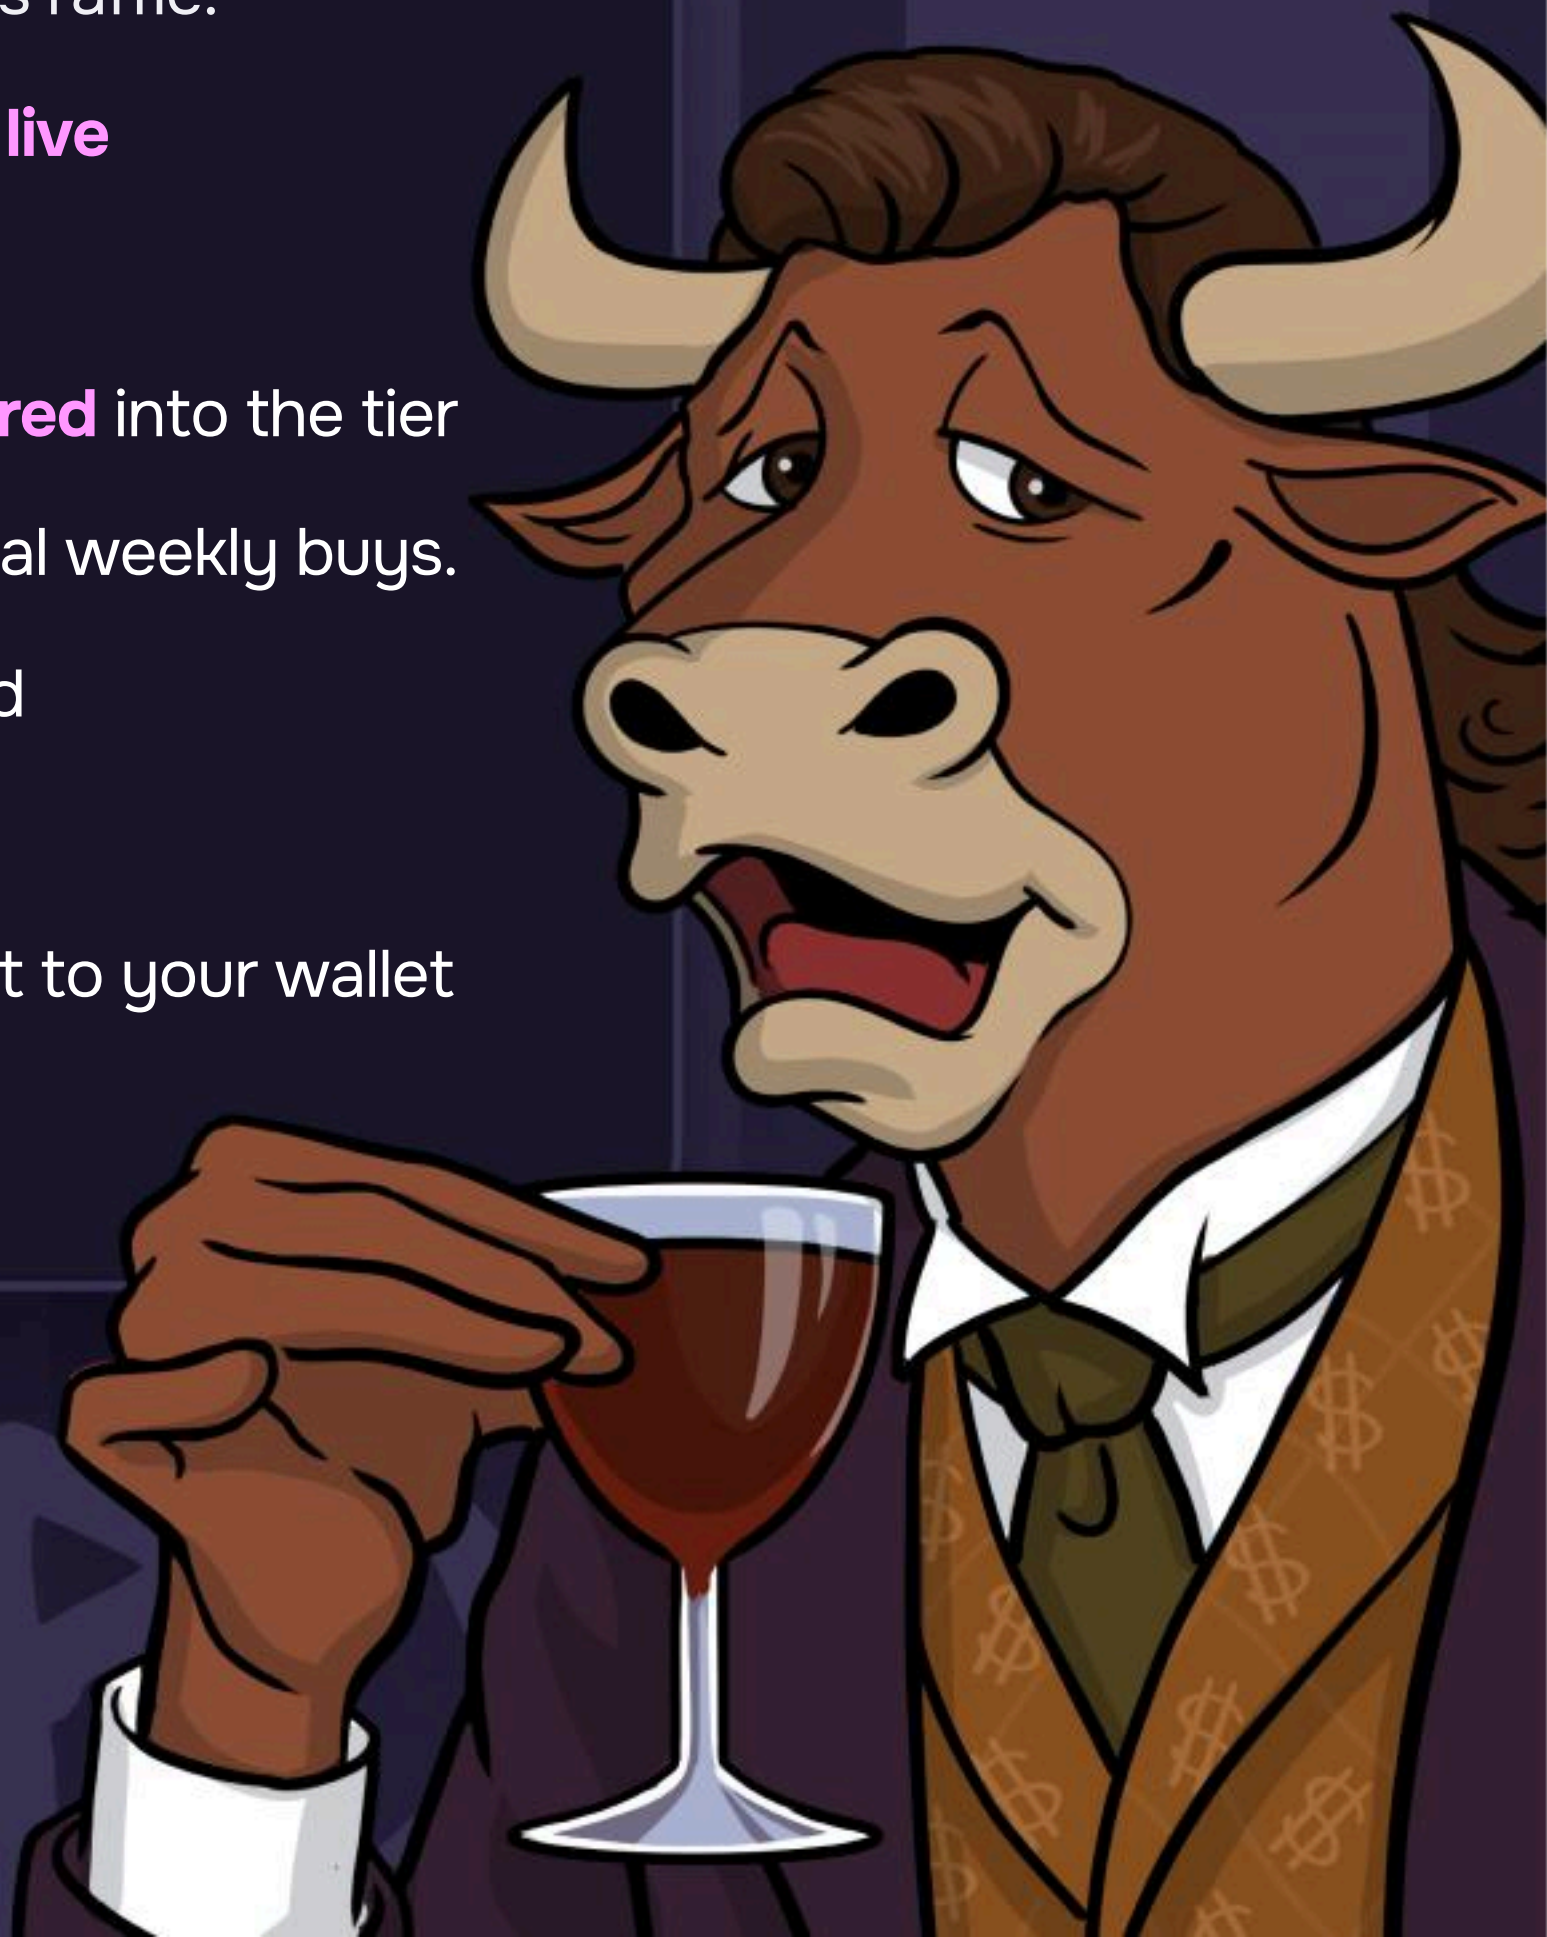

Buying \$PUMPD isn't just a play—it's a chance to get **paid**. Every single week, we reward our boldest buyers with real **USDT**, dropped straight into your wallet.

This isn't just a raffle—it's a **money printer for the brave**.

If you're stacking \$PUMPD between **Sunday and Sunday**, you're in the running. The more you buy, the better your tier. It's that simple.

How It Works

- **Buy \$PUMPD between Sunday and Sunday**
—each buy counts for that week's raffle.
- **Every Monday**, we run the draw **live** on our socials.
- Your wallet is **automatically entered** into the tier you qualify for based on your total weekly buys.
- **1 Wallet = 1 Ticket**—clean, fair, and no funny business.
- **Prizes paid in USDT**, sent straight to your wallet
—no claiming, no delays.

PUMPD

Key Rules

- Only buys made during the weekly window (Sunday–Sunday) are eligible.
- Holding does not qualify
—only fresh weekly buys count.
- Multiple buys in the week are combined to determine your prize tier.
- The prize pool scales with how much the community apes in—so when we pump, we all win.

PRIZE TIERS

Tier	Weekly Buy Volume (USDT)	Tickets
 GOLD	1,500+	1 Ticket
 SILVER	250 – 1,499	1 Ticket
 BRONZE	Up to 249	1 Ticket

Every wallet that hits a tier gets entered into that week’s draw. It’s a clean shot at real rewards just for aping in.

How to Enter

1

Buy **\$PUMPD** between Sunday and Sunday.

2

Hit a tier—**you're automatically in**. No forms, no friction.

3

Tune in every **Monday** for the raffle draw, announced on **Twitter and Telegram**.

Weekly Buys.
Real Winnings.
Massive Upside.

The more you ape, the more you stand to win.

So load up, lock in your tier, and let fate do the rest.

Will your wallet be the one we shout out next Monday?

Join the **Movement**

This is more than just a token. \$PUMPD is a declaration of independence from mediocrity, a statement of intent to rise above. The presale is live now, and every day you wait is another day you're paying more. The question isn't if you'll buy \$PUMPD—it's how much.

**Don't just watch history happen.
Be part of it. Get **\$PUMPD** today.**

PUMPD

What is Pumpd?

Pumpd is the meme coin designed for explosive growth! With prices increasing every 24 hours, it's a ride you won't want to miss. The community is hyped, the momentum is real, and the waves are ready to be ridden. Are you in?

Why Should You Buy \$PUMPD?

Because Pumpd is all about rewarding the true token holders! Early adopters get the best of the action, and \$PUMPD holders join an exclusive movement that's poised to go to the moon. Don't miss out—this is your chance to be part of something big!

When Do I Get My \$PUMPD Tokens?

Pumpd tokens will be airdropped to holders at the end of the presale. This gives you the chance to stake and earn even more rewards, while also ensuring the protection and growth of token holders. Get ready to see your rewards build over time!

How can I contact the Pumpd team?

Slide into our DMs on Twitter or Telegram, or send us an email to Help@pumpd.io. We're always here to hype you up.

Why is \$PUMPD the best memecoin to buy in 2025?

\$PUMPD isn't just another memecoin—it's a revolution in the making. With daily price surges, a vibrant, hype-driven community, and exclusive rewards for early adopters, it's built for big wins. But that's not all—\$PUMPD token holders also get access to the cutting-edge AI trend tool, designed to give you an edge in the crypto market. Plus, with the Pumpd Launchpad, you'll be part of projects that only launch after experiencing 24-hour price pumps, ensuring only the hottest, most promising projects make it to the platform. If you want a shot at big rewards and the best opportunities in memecoin, \$PUMPD is your ticket to the top!

How Many Presale Stages Does Pumpd Have?

Forget everything you know about presales. Pumpd is flipping the script. There are no boring stages—this presale is all about days. No one outside the team knows when the token will launch, and that's the thrill! This isn't just a presale; it's a game-changer designed to keep the hype electric and the rewards flowing from the get-go. Will Pumpd explode 10x? 100x? 1000x? No one knows, but one thing is for sure—it's going to be massive. You need to be in it to win it. The clock is ticking—don't let this chance slip away!
